Village were very tidy, no litter, litter bins were ok and also the Grass verges

Nottingham in Bloom judges have been round saying what a lovely village we are but we are still awaiting the results sometime in August. Thank you again for all your work in keeping Barton looking lovely and litter free especially 'dog doos'.

Julian Coles has kindly offered to run this Croquet game for us, come and have a lovely old fashioned afternoon in their beautiful garden.

Thank you Helen and Alistair.

We are launching an appeal in the July/August messenger for us to collect school stationary that we can send out to our partner parish in Natal so that children whose families are too poor to buy the basics can still go to school. School children need a uniform and their school stationary before they go to school and if they don't have these then there is no school.

That's where we come in. We are collecting pencils, coloured pencils, wax crayons, pencil sharpeners, rubbers, rulers and note books over summer and we'll send them out in September. Hopefully, when parents are buying new equipment for their children over the summer they will buy a little extra for our appeal.

When we have collected everything together British Gypsom have kindly donated £100 for the shipping.

The things that you are collecting are going to be given to these children as Christmas presents.....

Little things can make such a difference.
Thanks for your help.

There is a box just inside the church for you to put your donations in during the next 4 weeks. The church will be open every Saturday 9 – 5 pm or when there is a church service.
