Neighbourhood Watch

A Neighbourhood Watch Scheme is in operation. Co-ordinators have been assigned to cover specific patches in the village to ensure information is passed on as quickly as possible should an incident occur. Your co-ordinator will contact you either by email, telephone or a note through your letterbox as necessary. A newsletter is published periodically but more information can be found on the Barton in Fabis Parish Council website.

Keep Britain Tidy

The village enters the Keep Britain Tidy competition (along with other villages throughout Nottinghamshire), and has done so for several years. The annual judging takes place during the first two weeks of June, however, we are not notified of the date as the judges turn up unannounced. They will be looking at house frontages, paths and roads to ensure they are neat and tidy and weed and litter free. You will receive a Newsletter in early May reminding you that the competition is due to take place and what you need to do.

East Midlands in Bloom

The village also enters the East Midlands in Bloom Competition which takes place during the first two weeks in July. The judges will be looking at front gardens, green spaces, flower beds, innovative ideas, local involvement etc, in addition to a neat, tidy and litter free village. For this competition the date of judging will be announced prior to the event. Again more information about the competition will be provided in a newsletter nearer the time.

Glass Recycling

Bins are provided at the side of Barton Village Hall, Manor Road

Refuse Collection

Bins are emptied on the same day each week (Village Tuesdays, Trentside Wednesdays), alternating between Grey one week then Green and Blue the following week. See Rushcliffe Borough Council collection calendar for further information. Bins need to be put out early on the day of emptying and taken in as soon as possible afterwards.

Grey bin

Your grey bin is for household waste that cannot be recycled or composted in your blue or green bin or at recycling sites.

Please wrap food waste in paper and/or plastic bags before placing in the bin and keep the lid shut. Make sure bags are free of air as this takes up space in the bin. Think carefully about what you are throwing away- can it be reused or recycled?

Green bin

Please note: Rushcliffe Borough Council now charge residents £25 per year to empty one green bin. Each additional green bin costs £10 per year. Your green bin is for green organic garden waste:
